

INFORMATION ABOUT OUR USE OF COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. [By continuing to browse the site, you are agreeing to our use of cookies.]

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie	Name	Purpose	More information
Google Analytics	Sets the following cookies where necessary: _ga (2 years) _gid (24 hours) _gat (1 minute) AMP_TOKEN (30 seconds to 1 year) _gac_<property-id> (90 days) _gc_gtm_<property-id> (90 days)	These cookies enable us to estimate our audience size and usage pattern.	Our website uses Google Analytics, which is a web analytics service provided by Google, Inc. Google Analytics cookies allow us to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in an anonymous form, including the number of visitors to the website, where visitors have come to the website from and the pages they visited. For more information about Google Analytics please see: http://www.google.com/intl/en/analytics/privacyoverview.html https://developers.google.com/analytics/devguides/collection/analyticjs/cookie-usage

[Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have

no control. These cookies are likely to be analytical/performance cookies or targeting cookies]

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Except for essential cookies, all cookies will expire after May 2019.
